

WEBSITE AND FINANCIAL INFORMATION DISCLAIMER

Gospel Gear CC t/a First Consult SA | Authorised Financial Services Provider | FSP 44958

Effective date: 17 September 2026

General information

Information published by First Consult SA is intended to provide general information and does not take into account the objectives, financial situation, needs, risk profile, tax position or personal circumstances of any particular person.

Advice

A personalised recommendation should only be acted on after an appropriate advice process. Where regulated financial advice is provided, the relevant FAIS requirements and product-specific disclosures apply.

Investments

Investment values can rise or fall. Past performance is not necessarily indicative of future performance. Forecasts, illustrations and examples are not guarantees. Fees, taxes, market movements, withdrawals and other factors can affect outcomes.

Insurance and health products

Insurance, medical scheme, gap-cover and related benefits are subject to underwriting, waiting periods, exclusions, limits, definitions, provider rules and policy or scheme terms. The provider's official documentation prevails.

Tax and legal matters

General tax, estate-planning or legal information should not be treated as a substitute for advice from an appropriately qualified tax practitioner, attorney, accountant or other professional where such advice is required.

Accuracy and currency

Reasonable care is taken with published information, but financial products, legislation, tax rules, provider terms and market information can change. Users should confirm material information before acting.

No guaranteed outcome

No statement on the website should be interpreted as a guarantee of investment return, claim acceptance, premium level, tax outcome, credit approval, product acceptance or other financial result.

Document control: Prepared for website publication by Gospel Gear CC t/a First Consult SA. Review when business details, law, regulatory requirements or website functionality materially change.
